Objet: B-sample analysis Landis

Dear Dr. de Ceaurriz,

This is to inform you that on thursday August 3, I will be present in your laboratory to witness a B-sample procedure regarding Landis. At the beginning of the B-sample procedure, a legal representative of Landis will confirm my mandate.

As far as I understood the procedure will start at 9:30 and will continue untill saturday August 5.

Because I did not receive through the representative of the athlete yet a copy of the Laboratory Documentation Package of the A-sample analysis, I would appreciate if you could make such a copy available at the beginning of the B-sample procedure.

With kind regards,

Dr Douwe de Boer
